Navigating Nutrition Care of the Preterm Infant

Jacqueline Wessel, MEd, RD,
CSP, CNSD, CLE, LD
Neonatal Nutrition Specialist
Children's Hospital Medical Center
of Cincinnati

PROGRAM DATE AND TIME

Wednesday, April 12, 2023
6:00 PM ET

PROGRAM LOCATION

Devon Seafood and Steak
27 W. Chocolate Avenue
Hershey, PA 17033

PROGRAM OBJECTIVES

- Review incidence of preterm birth and the challenges faced by these infants.
- Discuss how early growth can impact long-term development as well as feeding and growth goals.
- Understand advances in human milk fortification that offer flexibility to meet individual preterm infant nutritional needs.
- Discuss in-hospital feeding strategies that support the needs of human milk-fed and formula-fed preterm infants.
